

Waiver of Liability for Equestrian Activity

My child _____ has my permission to participate in equestrian activities while a student at Cono Christian School. I understand the inherent risks of participation in equestrian activities

A number of inherent risks are associated with a domesticated animal activity. A domesticated animal may behave in a manner that results in damages to property or an injury or death to a person. Risks associated with the activity may include injuries caused by bucking, biting, stumbling, rearing, trampling, scratching, pecking, falling, or butting.

The domesticated animal may act unpredictably to conditions, including, but not limited to, a sudden movement; loud noise; an unfamiliar environment; or the introduction of unfamiliar persons, animals, or objects.

The domesticated animal may also react in a dangerous manner when a condition or treatment is considered hazardous to the welfare of the animal; a collision occurs with an object or animal; or a participant fails to exercise reasonable care, take adequate precautions, or use adequate control when engaging in a domesticated animal activity, including failing to maintain reasonable control of the animal or failing to act in a manner consistent with the person's abilities. Iowa Code 673.3

I will not hold Cono Christian School, program volunteers, horse owners Lynn and Tom Jahl, Glen and Mindy Fults, or the owner of the farm Glen and Mindy Fults liable in the event of injury.
